 - 4) Paul Blackford
 - 5) Daniel Tabone

Congratulations to all players who made the All Stars, and to the winning team LV1, who have won back to back Country Cups. Also a big thank you to Angela Townsend for the exposure of the game in the Latrobe Valley Express, and to all those who supported the teams over the 2 days.

2. State Singles will be held at the Italian Australian Social Club on the 14th & 15th June, 2003. There have not been enough entries to run the tournament over the 2 days, so it will only be on the 15th June, 2003. Players can still enter up to the day. Captains need to go to teams and encourage participation. Female players need to go to Melbourne to qualify on the 28th & 29th June, 2003. This needs to be clarified by the league. Female players have skipped qualifiers and are going straight to Semi's through lack of entries. Players are urged to send in entries to Pool Victoria. Daniel Partridge to clarify whether a representative for Pool Victoria will be in attendance on the day. Italian Australian Social

Club to be contacted about the 15th June, 2003 to make sure everything is ok. Jim from Gippsland Amusements to be contacted to level table for days play.

3. No competition next week as the LV8BA Singles Championship will be held on the Tuesday for all registered players who wish to enter. An entry fee \$5.00 will be charged, with all money to go over the bar at the finals. Finals will be held at the Xscape Bar, all captains to find out who wants to play, and phone through names to Scorer Paul Pike tomorrow night, along with scores from games. There will be 8 seeded players from last year, divided between all venues. Those players are:

- 1) Paul Pike
- 2) Daniel Partridge
- 3) Phillip Gibson
- 4) Ted Norton
- 5) Steve Gray
- 6) Kenny Krieger
- 7) Peter Simpson
- 8) Alf Shingles

 5. Rosedale has had complaints about their table not been up to standard, which will be looked into by the league.
 6. There is an iron and level available for all teams to use, which is stored at Vice President Rick McAllister's house.
 7. Anyone who did not attend the last meeting cannot move the minutes. All attendees must be recorded on the minutes.
 8. Questions rose about playing in Warragul and the LV8BA? If a player was to do this, they would have to be registered with both leagues, but only one registration paid to Pool Victoria.
 9. Scorer Paul Pike had spare rule books and donated them to the Junior league.
 10. League would like to thank Sarah for standing in and doing the minutes in Secretary Sallies Davis absence.
 11. Annual Presentation Ball: Venues interested in holding the Annual Presentation Ball, need to hand quotes to Treasurer Peter Mackrell. All venues interested in holding finals need to submit a quote as well. The same band as last year has been booked for the Annual Presentation Ball.

6. Score cards and team money, every team is responsible for a score card every week and must be handed in to the Scorer Paul Pike at meetings, along with team money to treasurer Phil Gibson. If teams do not hand in all 19 score cards when due at meeting then the team will be illegible for finals. Every home team is to call or SMS the score through to the Scorer Paul Pike at the end of play on 0417 304 919 (This number is displayed at the bottom of all score sheets). When these results are not phoned through it stops the Scorer Paul Pike being able to complete the ladder and post them at the venues. Scorer Paul Pike can email the ladder through to people if you give him your email address. As mentioned above, please write the names, addresses and phone numbers of your team members on the back of your first score sheet, any new registered player that begins during the season, please write their details on the back of the first score card that they play.
7. A date has been temporarily set for the finals 15th March 2004. This date will be confirmed at a future meeting where the details of the finals will be discussed and finalised. Venues for finals will be decided at the next meeting. Please ask your publicans if they are interested in holding our finals. Publicans that are interested need to put it in writing. In the past, venues have gone ½ in the cost for food, and the league tries to find entertainment for the day. In the past Vice President Rick McAllister has taken care of the food by cooking a bbq and has done a wonderful job.

8. Make sure if you have a junior player in your team that you get a letter of permission from their parents. This letter needs to state that the parent is granting you guardianship

of their child whilst they are playing in you team. This letter needs to be carried with you whilst the junior is in your care.

9. We have many new teams and many new players joining our association this summer. We encourage all experienced players to help these new players and encourage good sportsmanship during the games. It is advised that before the game starts, any captains with new players, who are learning the world rules, to notify the opposing teams captains that they may need assistance during their games. It is also advised that if the new player requires assistance during the game, the opposing captain or umpire assist the player to reduce the risk of being accused of coaching and therefore giving the other player two shots. When assisting a new player during the game it is very important not to coach the player. This means that you can tell the player their options, but not tell them the shot to play. They need to make their own decision on what to do. Just remember you can talk in the past and present, but must not talk in the future (what will happen if you do that shot!).
10. Before the night make sure all the captains have been in contact with their publican and they understand the details of the evening. Please make sure that red and yellow balls are supplied for the evening of competition. (If unsure look up the rule book for details of playing conditions). Make sure tables are ready to be played on before the commencement of the game at 7 o'clock. Therefore if tables need levelling, brushed or ironed, please make sure it is done before the opposing team arrives to play. Supper and a free drink for players are supplied from most venues, but this is not a requirement. Captains are to also work this out with their publican.
11. Inter-League day will be on 19th of October, 2003 at Breakers in Melbourne. These members will work out the team and notify players who have been selected.
 - 1) Steve Gray
 - 2) Paul Pike
 - 3) Kenny Krieger
 - 4) Peter Mackrell

If you are not playing on this day, please come and support our players and our league. It is always a good day out.

12. Remember first game is next Tuesday, 7th October at 7 o'clock. So start training, and good luck to all teams
