 1. Shirts for the Country Cup should still be in good condition so they will be worn again this year.
 2. Publicity Officer Peter Simpson: League Singles. Please indicate to Scorer Paul Pike who in your team is interested in playing in this competition when you ring your scores through. Date not yet set. Scorer Paul Pike will put dates on the bottom of the ladder when worked out. There is a \$5 entry fee (pay upon entry). It is a knock out competition and it is held at many venues over many weeks.
 3. Rules books not ready yet. LV Printers are doing them. Should be done by the end of the week and Wayne van Heerewaarden will endeavor to get them all out to you.
 4. In the last minutes the new rules were mentioned. I apologize, as one of these new rules was not written clearly. Cushions do come into play when asking for snooker or a foul snooker. To make it crystal clear if you cannot hit a ball because a cushion is in the way, you may call "snooker".
 5. The new website is being looked into and will be bought to the next meeting.
 6. Complaint was aired about Xscape Bar: Bad supper, no end of night drinks and bad playing conditions. As this complaint was from an Xscape player it was recommended they see the publican themselves and see what comes of it.
 7. Daniel Partridge would like to hold some umpiring courses. Please contact Danny if team members are interested in doing a course. No cost.
 8. Ian Agutter is participating in a car rally to raise money for the Starlight foundation. He would like support from the league and have the opportunity to put collection tins in venues.
 9. Bill Anderson has not checked venues lighting. If anyone notices that a venue has poor playing conditions, please bring it to the Committee and they can go to the venue with the issue at hand. If it is your own venue please see your publican and try to sort it out with them.
 10. A coin gets tossed for first break and then alternated.
 11. Merton Rush has moved their table to main bar, so is no longer in bistro.
 12. Umpiring: outsiders may umpire as long as they know the rules, however it is preferred that the players umpire. New players are encouraged to umpire to learn the rules. Captains need to enforce that umpiring is done properly. Umpires can be replaced in the middle of a game if not happy with it.
 13. Flanagan's extended thanks for accommodating them into the league.
 14. Entry forms for State Titles available. Held at Italian Australian Social Club Saturday 29th & Sunday 30th May, 2004. Entry closes 25th May, 2004. Encourage team members to play.

15. Country Cup teams decided and accepted. Read out teams. Well done to all those selected. Teams are still to be finalized, as some selected may not be able to play. The day is held at the Exhibition Building in Warragul, so come and support our league players. Please do not drink outside and support Warragul as they support us.

16. Nominations for next meeting:

- 1) Italian Australian Social Club
- 2) Merton Rush

1. During a game there was nearly an accident, the player didn't wait for the marker to be ready. The balls were broken and the white ball came off the table and nearly hit the marker who was bending down to put the triangle back. Please wait for the umpire to be ready, and to step away from the table before breaking.

4. In this year's Country Cup book, it listed that Yarra Valley had the Country Cup for the years 2005 & 2006 when Latrobe Valley is supposed to be holding it. This needs to be looked into.

5. Congratulations to the 3 Country Cup teams. They all did well, with the first team being beaten in the grand final. Steve Hutch thanks the second team for their great spirits and good behaviour. He also thanked the player's partners for their support.

6. Daniel Partridge would like to know who is interested in the umpire course. He would like to hold another evening.

7. Lenny McKenney inquired about an incident he came upon in his game Tuesday night and clarify the ruling. A push shot on the break (Lenny didn't see it, they admitted the foul), he declared a foul and re-racked the balls with 2 visits. This was the correct ruling.

8. Ian Agutter submitted a letter about the Starlight Foundation. He is asking for support from venues. Up to individual captains to go to venues. A copy of the letter will be attached to the minutes. Ian Agutter will run a raffle at the Singles Competition.

10. Sponsors will be included in the website and may be approached next year to contribute more to sponsorship to help with the price of the website.

11. Please bring interested venues for Finals and Annual Presentation Ball to the next meeting. This must be in writing by the publican. The venue must have enough room for 2 tables for

finals. If venue is interested in the Annual Presentation Ball, the letter must include prices per head for meals, what meals they offer and a list of drink prices.

12. The Grand Final will be held on 31st August, 2004. This is written on the bottom of the draw. Please ignore the date in the rulebook.
13. Disappointing that not many people entered State Titles this year.
14. It is becoming more common that delegates are coming in and signing the book, handing in their money and not staying for the meeting. A suggestion to fix this matter is to have a sign in and sign out section of the book, and delegate need to state the reason for their early departure. If the delegate has other commitments, such as playing snooker or working, it is requested that they ask another team member to also attend the meeting. Delegates are requested to stay for the entire meeting.
15. Next meeting: venues nominated and voted on:
 - 1) Italian Australian Social Club
 - 2) MertonRush
 - 3) Churchill Saloon

The next meeting will be held at the Merton Rush in the Bistro at 7:30pm on the first Monday of next month. It is asked that delegates come a little earlier to hand in money so the meeting can begin at 7:30.

16. Venues for the Singles Championship event were decided on. The four venues are:
 - 1) Grand Junction Hotel
 - 2) MertonRush
 - 3) Morwell Return Service League
 - 4) Italian Australian Social Club

The Grand Final will be played at Italian Australian Social Club. The league table needs to be moved and will cost \$125.

The reason for this is that if balls go off the table, the red ball needs to go as close to the dot as possible. If umpire rack incorrectly, the player is not to be disadvantaged by the umpires mistakes, re-rack the balls correctly and continue play.
